### Critique

Tania Gardner ( Danwish )

Thank you to the committee for inviting me to judge at this venue , lovely show and once I had a stand in steward , thank you David , things ran smoothly . As always thank you to the exhibitors for trusting me to give them my honest opinion of their dogs . The ring though not ideal was large enough to allow me to gauge the dogs movement.

Class Junior (6, 1ab )

1st Kerrydown One Man ( Patridge )

12months old boy who is well balanced , stands over plenty of ground he has a masculine head with correct shaped dark eye , good chiselling which gives him a kind expression he is well ribbed back & deep through chest , quarters are well angulated stands on tight & neat feet . Lovely deep rich coat .Moved well enough for his age on this floor .

2nd& BP Clonageera Love Is Real ( Rutherford, Judge & Tippet ) 10 month Bitch . Beautifully presented , elegant & Feminine in profile , who moved straight and true for her age .

3rd Devacott Devotion ( Brend )

### Class

Sp Yearling (2, 0ab )

1st Meadway Myles At Teignestuary ( Full )

18 month dog , he has a pleasant head with a dark eye , good front assembly with a good sternum , good width to

second thigh . Stood he presents a nice outline but lacking maturity through his body at the moment . Movement ok but a little proud of his tail today .

2nd Kerrydown Octavia ( Patridge )

Class Post Grad ( 5,ab 4 )

1st Redclyst Kearney ( Macdonald )

A little strong in head for me but not unpleasant , he has a kind expression and a dark eye , good front with an adequate return of upper arm , deep through his chest . Nicely angulated rear quarters, moved ok but lacked drive on this surface .

Class Open Dog (4, 1ab )

1st & BOB Clonageera Kinross Love Barolo ( Rutherford )

This dog stood out today , he was presented immaculately and handled expertly to get the best out of him . He is well constructed with the best of fronts, stacked he looks racy and has that certain quality that can't be over looked , you have to go over him to appreciate how each part of his body flows into the other . On the move he covers the ground with ease and without effort which you would expect considering his construction . My BOB . Thank you for bringing him .

2nd Blaysdell Kieran ( Gardiner )

3rd Redclyst Kearney

Class Open Bitch ( 6 , 2ab )

1st & RBOB Polmennor Willow Pattern ( Roberts )

6 yr old Bitch , I do like this exhibitors dogs who are very typy this bitch has a beautiful feminine head with the sweetest expression , she has a gentle sloping topline that flows from

her shoulders to her well set croup . Her front and rear angulations are well balanced . She has a lovely racy outline and stands on small neat feet . On the move she drives off her short hocks and her tail never stopped lashing . Pleased to award her RBOB .
